**Attachments:** Draft Action Memo Subpart W rf rev 1-28-14.docx

**Importance:** High

Reid,

Attached is the revised memo. Please read it through and let me know if my changes give you heartburn or are incorrect. And, of course, make any changes you see fit. Please remember to put the number of attachments. I didn't know how many you have. The you an run it as a draft and put it in the package, sign off on the routing slip and send it to Tom and Dan for review. Thanks!

Rafie
